

“The clubs our school offers are great!”

At the start of the year I was worried about not knowing where to go and about making new friends. But, as time passed, I got used to the school and started making friends and I felt a lot safer. Now I know where to go for my lessons.

The school offers clubs such as bus, sport, music. These clubs are great because you meet new people and you can find a new hobby to enjoy.

Ibrahim Year 7

“At Crompton House you always feel supported.”!”

At the start of Year 7 I was worried about getting lost but now I know my way around easily. When you start in Year 7 the teachers collect you from the Hall and take you to your lessons. I found this very helpful.

At Crompton House you always feel supported and not alone. Your Form tutor, Head of Year and Assistant Head of Year are here to help. So, instead of being worried about high school and thinking it is an impossible task, you should feel excited and look forward to coming.

Amelia Year 7

*“The teachers
are really
helpful.”*

I was worried about making new friends and getting lost in school. Now I feel comfortable as I know where everything is. Also, I have made so many friends in school and I found it super easy.

I really like Crompton House because the teachers are really helpful. Now it is the end of year 7 , I feel like there is nothing I should have been worried about.

Since coming to Crompton House, I have enjoyed every minute. Crompton House is an incredible school and I am looking forward to the rest of my time here.

Angel Year 7

“Year 7 is a very fun experience.”

I was nervous about meeting new people and friends but I made lots of new friends at Crompton House and it was really easy.

I thought the lessons would be really hard and the teachers would be mean but the teachers are really nice and the lessons are really interesting.

Year 7 is a very fun experience. There has loads of new lessons you wouldn't have in Primary School such as Food technology, wood work, art and textiles and Spanish.
