

27<sup>th</sup> September 2021

Dear Parent/Carer

We are writing to you today to offer your child the opportunity to attend key **Year 11 twilight support sessions in the subjects of Maths, English, and Science**. These sessions are personalised to the needs of our cohort and will focus on coverage where learning has been disrupted because of the pandemic. The main aim of each session will be to address gaps in knowledge, application, and skill.

The sessions are as indicated below starting the week commencing the 4<sup>th</sup> October. Your child will receive a scheduled appointment from the relevant member of staff running the twilight session, to be held online, which will feature in their Teams calendar prior to the date and time of each session.
