<https://www.startprofile.com/>

This is a reminder that your son/daughter has a **START** account (completed in Work Related Learning) and you also can access the **START** Programme as a parent. We use this site/tool to create a learner **Futures** profile (which can be updated), which will then prompt specific information (videos' job profiles etc.) about potential future pathways. This may help the options choices.

NOTE:

Options Pathway letters will be sent out in the w/b 8th March.
