'An ambitious curriculum that meets the needs of all'

## Medium Term Planning - Topic: Component 1 Devising

### Curriculum Intent

Non-examination assessment 40% of the qualification 80 marks

Content overview

In this component students will develop their creative and exploratory skills to devise an original performance. In their creative explorations, students will learn how text can be manipulated to communicate meaning to audiences and they will begin the process of interpretation. They will gain an understanding of how a new performance could be developed through the practical exploration of the theatrical style and use of conventions of the chosen practitioner.

- Devise an original performance piece.
- Use one key extract from a performance text and a theatre practitioner as stimuli.
- Centre choice of text and practitioner.
