

Le septième art - Knowledge Organiser

I can...	Red	Amber	Green
give examples of films that I have enjoyed			
give examples of actors and film makers that I admire			
show awareness of the success of French cinema globally.			
show awareness of Francophone actors and film makers that have had global success.			
show awareness of cinema being seen as an art form.			
show an awareness of the unique aspects to French films.			
show knowledge of the (increasing) popularity of French cinema in France (and different demographics).			
understand the popularity of American films in Francophone countries and how this affects French cinema.			
explain the costs (and discounts) of visiting the cinema in France and the impact this has on numbers of cinema goers.			
give opinions as to reasons for the increasing popularity of cinema (eg a desire to escape from reality, the increased skill of film makers etc).			
show awareness of how French cinema is considered an industry (budget / profit / export).			
give a personal reaction to the way in which French cinema is seen as an industry.			
explain what the French government has done to promote French cinema (film subsidies as well as for cinema goers)			
show awareness of French film festivals and rewards.			
discuss the importance of the Cannes film festival (how it is subsidised and how it rewards French film makers).			
offer my personal view of film festivals and rewards (what is more important, recognition or commercial success).			
discuss the future of French cinema.			
show understanding of the history of French cinema (including the importance of the Nouvelle Vague).			
show awareness of why French cinema has been historically successful.			
show understanding of how new technology is a threat to French cinema (virtual reality / video games / costs).			
discuss how new technologies can be an advantage to the cinema industry.			
give reasons for why people may prefer to watch films at the cinema rather than at home.			
offer my opinion on the different ways in which we can watch films nowadays.			
Explain how the film industry promotes francophonie to the rest of the world.			
Explain how popular a leisure activity cinema is in France (in comparison with other activities)
