

### Quelle vie pour les marginalisés? - PLC

I can...	R	A	G
a. explain the reasons for and causes of poverty and homelessness			
b. explain what groups of people are marginalised in France			
c. describe the social problems linked to poverty (crime, educational opportunities, unemployment, housing)			
d. offer some statistics as to the numbers of different marginalised groups in France			
e. give my opinion on these statistics (are there any shocks / surprises?)			
f. make reference to particular case-studies featured in my studies about marginalised people			
g. show understanding and evaluation of regional trends with perhaps detailed knowledge of one area / city			
h. evaluate the data in terms of age, gender, ethnicity etc.			
i. name some organisations which help marginalised people (food banks / homeless shelters)			
j. describe what charitable organisations can do to help marginalised people			
k. give my opinion on the work carried out by charities to help marginalised people			
l. give examples of what the French state do to help marginalised people			
m. give my opinion on whether the French state offer enough help to marginalised people			
n. explain how the French state support charitable organisations			
o. describe how French society feels about marginalised people			
p. describe how French people view overseas aid; charitable organisations for overseas aid and how they are (or are not) supported.			
q. explain why children can become marginalised and the factors that might explain how parents can no longer support children			
r. discuss the importance for children of having the continuity in their education that such an initiative would provide			
s. explain how francophone countries help marginalised people			
t. make links with the family topic, explain how the changing nature of the family affects marginalised groups			

- *En général est-ce que vous êtes en faveur des organisations caritatives ?*
- *A votre avis, est-ce que le gouvernement fait assez pour aider les pauvres ?*
- *Qui est responsable des pauvres, selon vous ?*
