

KS3 Home Learning Curriculum

At Crompton House, we understand the importance of consistency, quality, and alignment with key stage expectations when it comes to homework. We believe that homework is not just an obligation, but a valuable tool for student growth and development. As such, specific and manageable home learning curriculums have been developed to help support students achieve their potential.

Art Home Learning Objectives:

- **Research Skills:** Into the topics, scripts and themes we have covered in class.
- **Practical Skills:** Build and refine devising and scripting skills, work on collaboration and communication skills, develop the ability to analyse and evaluate.
