<b>Numeracy</b>	
<b>Literacy</b>	<p><b>Vocabulary:</b> Examine, explain, outline, evaluate, compare</p> <p><b>Reading:</b> Students are expected to read religious texts. They will summarise teachings, ideas, arguments etc. This also allows students the opportunity to clarify - discussion of any words or ideas that the student didn't understand and to evaluate set texts.</p> <p><b>Writing:</b> A level RPE is a literacy-based subject. Students are supported in developing their arguments to explain beliefs and theories, and scholarly approaches. Students also develop their ability to evaluate and criticize the above.</p> <p><b>Oracy:</b> Students need to be able to articulate their own ideas and beliefs as well as discuss this with other students. Then sharing of ideas through discussion allows students to understand different points of view. Questioning of their points of view also allows them to develop their reasoning so that their arguments can stand up to scrutiny.</p>
<b>Becoming future ready</b>	<p>Students develop:</p> <ul style="list-style-type: none"><li>- the ability to build and interrogate arguments and how to question and evaluate</li><li>- critical thinking skills and the ability to interpret information, formulate questions and solve problems</li><li>- organisational and time management skills</li><li>- teamworking and communication skills</li><li>- writing skills, including accurate referencing and the ability to construct a reasoned argument</li></ul>

	<ul style="list-style-type: none"> <li>- empathy and the ability to understand people and their motivations</li> <li>- the ability to appreciate different perspectives and take on board others' views</li> <li>- the ability to work methodically and accurately</li> <li>- independence of mind and the ability to think for yourself.</li> </ul>			
<b>Adaptation</b>				
<b>QFT/SEND Provision</b>	<p>Throughout this topic, quality first teaching will provide differentiation:</p> <p><b>By Intervention:</b> by providing different levels of supervision and support, catch up sessions if requested.</p> <p><b>By Progressive Questioning:</b> exploring pupils' understanding through interactive dialogue.</p> <p><b>By Offering Optional Activities:</b> In class or as homework, to extend learning.</p>
