

YEAR 8 Autumn 1&2

'An ambitious curriculum that meets the needs of all'

Medium Term Planning - Topic: Faith in Action

Curriculum Intent	<p>Why do we teach this to students?</p> <p>Central to religious education in Church schools is the study of Christianity as a living and diverse faith, focused on the teaching of Jesus and the Church. Christianity is the main religious tradition of Great Britain and this is reflected in our in depth study of Christianity. This unit is a study of Jesus, his life, his teachings and how they apply to the world today. It addresses key questions from our Syllabi such as what was radical about Jesus? And should we sell religious buildings and give them to the poor?</p> <p>Why do we teach this now?</p> <p>Students spent the Summer of Year 7 looking at world religions, to start Year 8 we return to the main religious tradition of Great Britain – Christianity. Students are studying thematic units within Year 8 upon which they need a grounding in religion. Starting with Christianity, looking at the life of Jesus highlights key beliefs which will be drawn upon later in the year.</p> <p>Links to the Oldham Local Agreed Syllabus:</p> <p>Links to the Manchester Diocesan Agreed Syllabus:</p> <p>3.3 – What is so radical about Jesus</p> <p>3.2 – Does living Biblically mean following the whole Bible?</p> <p>3.6 – Should religious buildings be sold to feed the starving?</p> <p>3.11 – What difference does it make to believe in Christianity</p> <p>Specification aims:</p> <p>The principal aim of RE is to engage pupils in systematic enquiry into significant human questions which religion and worldviews address, so that they can develop the understanding and skills needed to appreciate and appraise varied responses to these questions, as well as develop responses of their own. (Manchester Diocesan Agreed Syllabus)</p> <p>Assessment Objectives:</p> <p>As the most up to date document out assessment objectives are taken from our Locally Agreed Syllabus. These reflect the 3 main assessment objectives of our diocesan agreed Syllabus.</p> <p>Make sense of a range of religious and non-religious beliefs, so that they can:</p> <ul style="list-style-type: none">- identify, describe, explain and analyse beliefs and concepts in the context of living religions, using appropriate vocabulary;- explain how and why these beliefs are understood in different ways, by individuals and within communities;- recognise how and why sources of authority (e.g. texts, teachings, traditions, leaders) are used, expressed and interpreted in different ways, developing skills of interpretation. <p>Understand the impact and significance of religious and non-religious beliefs, so that they can:</p> <ul style="list-style-type: none">- examine and explain how and why people express their beliefs in diverse ways;- recognise and account for ways in which people put their beliefs into action in diverse ways, in their everyday lives, within their communities and in the wider world;- appreciate and appraise the significance of different ways of life and ways of expressing meaning. <p>Make connections between religious and non-religious beliefs, concepts, practices and ideas studied, so that they can:</p> <ul style="list-style-type: none">- evaluate, reflect on and enquire into key concepts and questions studied, responding thoughtfully and creatively, giving good reasons for their responses;- challenge the ideas they study, and consider how these ideas might challenge their own thinking, articulating beliefs, values and commitments clearly in response;- discern possible connections between the ideas studied and their own ways of understanding the world, expressing their critical responses and personal reflections with increasing clarity and understanding.
Spiritual, moral, social, and cultural development	<p>SMSC: Spiritual: The ability to be reflective about their own beliefs, religious or otherwise, that inform their perspective on life and their interest in and respect for different people's faiths, feelings and values. sense of enjoyment and fascination in learning about themselves, others and the world around them. Moral: acceptance and engagement with the fundamental British values: individual liberty and mutual respect and tolerance of those with different faiths and beliefs; they develop and demonstrate skills and attitudes that will allow them to participate fully in and contribute positively to life in modern Britain. Cultural: understanding and appreciation of the range of different cultures within school and further afield as an essential element of their preparation for life in modern Britain.</p> <p>PSHE: Tackling religious discrimination</p> <p>British Values: Individual liberty, mutual respect and tolerance of those of different faiths and beliefs.</p> <p>Skills Builder: Listening, speaking, problem solving, creativity, staying positive, aiming high, leadership and teamwork</p>
Numeracy	<p>Students will explore figures of cost for religious buildings (lesson 10) and holy week (lesson 13)</p>
Literacy	<p>Vocabulary Tier 2: explain, commands, rebel, hypocrite, wealth, influence, authority, civil rights</p> <p>Vocabulary Tier 3: denomination, agape, moral, salvation army, sacraments, moral exempla, crucifixion, resurrection, Salvation Army,</p> <p>Reading: Students have the opportunity to read religious texts. They will summarise teachings, ideas, arguments etc. This also allows students the opportunity to clarify - discussion of any words or ideas that the student didn't understand.</p> <p>Writing: Religious Studies is a literacy based subject. Students are supported in developing their answers to explain the beliefs and impacts of those beliefs. Students are also working on explaining their own views and beliefs as well as those of others.</p> <p>Oracy: Students need to be able to articulate their own ideas and beliefs as well as discuss this with other students. Then sharing of ideas through discussion allows students to understand different points of view. Questioning of their points of view also allows them to develop their reasoning so that their arguments can stand up to scrutiny.</p>
Becoming future ready	<p>RS students develop:</p> <ul style="list-style-type: none">- the ability to build and interrogate arguments and how to question and evaluate narratives- critical thinking skills and the ability to interpret information, formulate questions and solve problems- organisational and time management skills- teamworking and communication skills- writing skills, including accurate referencing and the ability to construct a reasoned argument- empathy and the ability to understand people and their motivations- the ability to appreciate different perspectives and take on board others' views- the ability to work methodically and accurately

	- independence of mind and the ability to think for yourself.			
Adaptation	Throughout this topic, quality first teaching will provide differentiation: By product: differential outcomes using must, could, should. By resource: PowerPoints have different levels of differentiation to access, 'key points' extension, stretch and challenge. By Intervention: by providing different levels of supervision and support, revision drop ins, catch up sessions. By Progressive Questioning: exploring pupils' understanding through interactive dialogue. By Grouping: according to prior attainment, gender and behaviour By Task: Many tasks are scaffolded to support students, where there is a choice of task students are supported in choosing the task which will best support them to achieve their ability. By Offering Optional Activities: In class or as homework, to extend learning.
