

## Revision Guidance: Preparation for Summative Assessment

<b>Subject:</b>	<b>Mathematics – Calculator Test</b>	
<b>Assessment Date:</b>	<b>W/C 24<sup>th</sup> March (See Class Charts for specific date)</b>	
<b>Please revise the following topic areas:</b>		<b>Sparx Independent Learning Codes (Curriculum is KS3 unless otherwise stated)</b>
Algebraic expressions		M531
Fractions and percentages equivalence		M264
Simplifying ratio		M885
Percentages of amounts		M905
Sharing into a ratio		M525
Coordinates		M618
Proportion and money		M478
Writing an amount as a percentage		M235
Solving inequalities		M118
Two-way tables		M889
Expanding and factorising expressions		M237/M100
Percentage Increase and decrease		M533
Indices		M267
Finding an amount given a percentage		M509
Listing outcomes		M100
Expanding double brackets		M311
Solving equations with unknown on both sides		M554
Probability		M888
Linear sequences (nth term)		M960
